Qualitative Comments by Students

He is a good lecturer

Henry

Lecturer could speak a little slower and pace themselves. information conveyed is clear but can be clearer

-

I truly love how henry conducts his teaching session, it feels organized and informative. we are always kept informed mainly because henry is extremely helpful with answering our enquiries regarding the assignments

Good

E

I lo

None

Very ch

Nice lec

Really good

Mr henry s

Tbh, most of us(everyone in general) have this feeling in school where one dislikes a subject or a teacher, and whenever its time for that subject or teacher to teach, they will go ugh this again

Grea

Mr henry is a very good lecturer and helps everyone equally

Chi

lecturer seems confused on regards on the information he wants to give, non paced and has a difficulty organizing his train of thoughts. this sometimes makes it difficult to understand what is he saying. other then that, very professional.

I able to understand the content in lecture and tutorial classes.

Mr. henry is a great lecturer , im able to understand most of his lecture,my only request would be that hw gave more question related to the boolean stuff before test 2 .tq

Nice lecturer and answers all questions. easy to understand and

Lecturer was a bit nervous so he speaks not soo clear

TES Question Statements

T 1	My lecturer related the subject to real world examples.
T 2	My lecturer provided a variety of activities to help me learn in an online environment.
T 3	My lecturer encourages us to participate in online discussions in order for us to discuss ideas and concepts in the subject matter.
T 4	Sufficient opportunities were provided to check my understanding of the module.
T 5	I clearly understood the relationships between module learning outcomes with the online learning activities and online assessments.
T 6	I was able to monitor my learning progress through online assessments.
T 7	My lecturer used a friendly tone to explain the marks that I received on assessed tasks.
T 8	Feedback I received on the assessment has been useful for me to self-monitor and evaluate my own performance.
T 9	My lecturer used e-Learning tools effectively to help me understand the lessons well in an online environment.
T 10	My lecturer was able to conduct virtual classes effectively to facilitate our learning.
T 11	My lecturer was willing to spend time attending to my concerns and to help me with my learning needs via virtual consultation(s).
T 12	My lecturer encouraged me to share my learning needs with him/her via email/forum/whats app/TIMeS, or other platforms/tools.
T 13	My lecturer used research findings/updated industry knowledge to enhance his/her lessons.
T 14	My lecturer used research to make the module interesting and up-to-date.

Module Questions Statements

M 1	Module materials were prepared and organized effectively.
M 2	This module has clearly stated objectives.
M 3	I have achieved the learning outcomes of the module.
M 4	The assessments were set according to the module learning outcomes.
M 5	I understood the module assessment criteria.
M 6	This module has helped me improve my communication skills
