Qualitative Comments by Students

-

Nothing to say ya

Very good

A great lecturer who teaches the subject very effectively, is easily approachable and friendly, which allows me to be more comfortable when asking questions. prepared plenty of study materials that made the learning process more enjoyable.

Very nice

Henry is an amazing lecturer and tutor. he put in a lot of effort into educating and assisting us.

TES Question Statements

T 1	My lecturer related the subject to real world examples.
T 2	My lecturer provided a variety of activities to help me learn in an online environment.
T 3	My lecturer encourages us to participate in online discussions in order for us to discuss ideas and concepts in the subject matter.
T 4	Sufficient opportunities were provided to check my understanding of the module.
T 5	I clearly understood the relationships between module learning outcomes with the online learning activities and online assessments.
T 6	I was able to monitor my learning progress through online assessments.
T 7	My lecturer used a friendly tone to explain the marks that I received on assessed tasks.
T 8	Feedback I received on the assessment has been useful for me to self-monitor and evaluate my own performance.
T 9	My lecturer used e-Learning tools effectively to help me understand the lessons well in an online environment.
T 10	My lecturer was able to conduct virtual classes effectively to facilitate our learning.
T 11	My lecturer was willing to spend time attending to my concerns and to help me with my learning needs via virtual consultation(s).
T 12	My lecturer encouraged me to share my learning needs with him/her via email/forum/whats app/TIMeS, or other platforms/tools.
T 13	My lecturer used research findings/updated industry knowledge to enhance his/her lessons.
T 14	My lecturer used research to make the module interesting and up-to-date.

Module Questions Statements

M 1	Module materials were prepared and organized effectively.
M 2	This module has clearly stated objectives.
M 3	I have achieved the learning outcomes of the module.
M 4	The assessments were set according to the module learning outcomes.
M 5	I understood the module assessment criteria.
M 6	This module has helped me improve my communication skills
